A sea-side view from a private yacht ensures not only a welcome escape from the hustle and bustle of the grandstands, but also the opportunity to watch the race like a true VIP. Guests staying at the Sezz Saint-Tropez will have a vast array of vessels at their disposal, from sailboats to motor yachts in sizes ranging from 42 – 105 feet. For the non-maritimers, getting to the race can be a smooth chauffeur driven affair or a short thrilling helicopter ride, the sky is most definitely the limit.

Far removed from the frantic activity of the racetrack, the Hôtel Sezz Saint-Tropez provides an oasis of calm for its guests. The Sezz experience starts the minute guests step through the doors of the spacious Christophe Pillet-designed reception area, where a personal assistant is waiting to fulfill every whim. Indulgence is the order of the day at the 35-room and two villas property, which is surrounded by lush tropical gardens. Whether in the Cocoon suite with a private terrace and garden, in one of the private pool villas, or at the Dom Perignon Champagne Bar, one thing is guaranteed – complete and utter relaxation.

This offer is also available for the Monaco Historic Grand Prix, which takes place from May 11 – 13. This prestigious bi-annual event typically occurs two weeks before the annual Formula One Grand Prix, and features classic racing cars from 1947 – 1984.
